Your Voice for Your Wildlife Awards

Every year Wildlife Queensland recognises the achievements and efforts of our members through our special award ceremony held on the day of the AGM in September.

The categories for the awards for this year are:

Award 1: A new and successful Wildlife Queensland campaign in your region conducted in the year July 2015 to June 2016.

This award recognises the effectiveness of campaigning undertaken by our branches, and where appropriate, the importance of forming alliances with other groups to achieve success.

Award 2: A new or ongoing Wildlife Queensland project involving the community in the year July 2015 to June 2016

This award is to acknowledge a particular project run by a branch that has made an outstanding contribution to the Society (Wildlife Queensland), to conservation and to the community.

Award 3: The Margaret Thorsborne Award for an outstanding contribution during the year July 2015 to June 2016 by a financial member of Wildlife Qu.

This award is named in honour of our Patron, Margaret Thorsborne, to acknowledge members who have made an outstanding contribution to Wildlife Queensland, to conservation and to the community. These members, like Margaret, will have led by example and have been an inspiration to others both within the society and in their respective communities.

Please consider submitting a nomination for this year's awards. After reading the criteria carefully, tell us in approximately 350 words how you think your nominated person, project or campaign meets the criteria and why you think recognition is deserved. The nomination can come from a non-member but the subject must be a Wildlife Qld member or branch activity.

Nomination forms are available from our office by telephoning 07 3844 0129 or from the website - <http://www.wildlife.org.au/about/awards.html>

Please post completed nomination forms to Operations Manager, WPSQ, Suite 1, Level 1, 30 Gladstone Road, Highgate Hill 4101 or email wpsq@wildlife.org.au before 31 July.
