| <b>Total</b>     |                           |  | 37                           |

'Seq' is a sequence number from the original order of the Christidis & Boyles Order list  
'O' means the species was observed overhead  
'H' means the species, though not sighted, was heard, with specific characteristic call  
'1' in 'Tick' column indicates that at least one bird of the specific species was observed  
Numbers at beginning in 'Comments' column may indicate specific areas for some surveys
