'e' indicates that Esther Townsend saw or heard this species on a separate survey conducted early morning on 7/10/2012

'Seq' is a sequence number from the original order of the Christidis & Boyles Order list

'O' means the species was observed overhead

'H' means the species, though not sighted, was heard, with specific characteristic call

'1' in 'Tick' column indicates that at least one bird of the specific species was observed

Numbers at beginning in 'Comments' column may indicate specific areas for some surveys
